Dig deeper into your golf bag and learn the nuances of each type of club. This mode also allows you to store your stats on the Toptracer Range App.

Play individually or as a team to catch each of the 24 different sea creatures and as many stars as possible.

Fine-tune your iron play in this game of nine approach shots on your choice of three legendary courses.

Power and precision are rewarded in this test of driving prowess. Hit nine tee shots on nine different virtual holes.

Experience some of the world's greatest golf courses, like Pebble Beach (shown), right from your bay. Play a full 18 holes without ever leaving the range.

The object of this classic game is simple: Hit it as close to the pin as possible. The player whose ball stops nearest the target wins.

Who can hit the farthest? This game lets you settle the debate once and for all by turning the range in a proper long drive grid for up to eight players.

Compete for points based on proximity to the target. The closer you get to the target, the more points you earn. Add 'In Air' bonus rings for an extra challenge.
